INTRODUCTION

Trifecta Lifting is a division of Trifecta Mining Solutions, specialising in providing a comprehensive range of services in the lifting equipment industry.

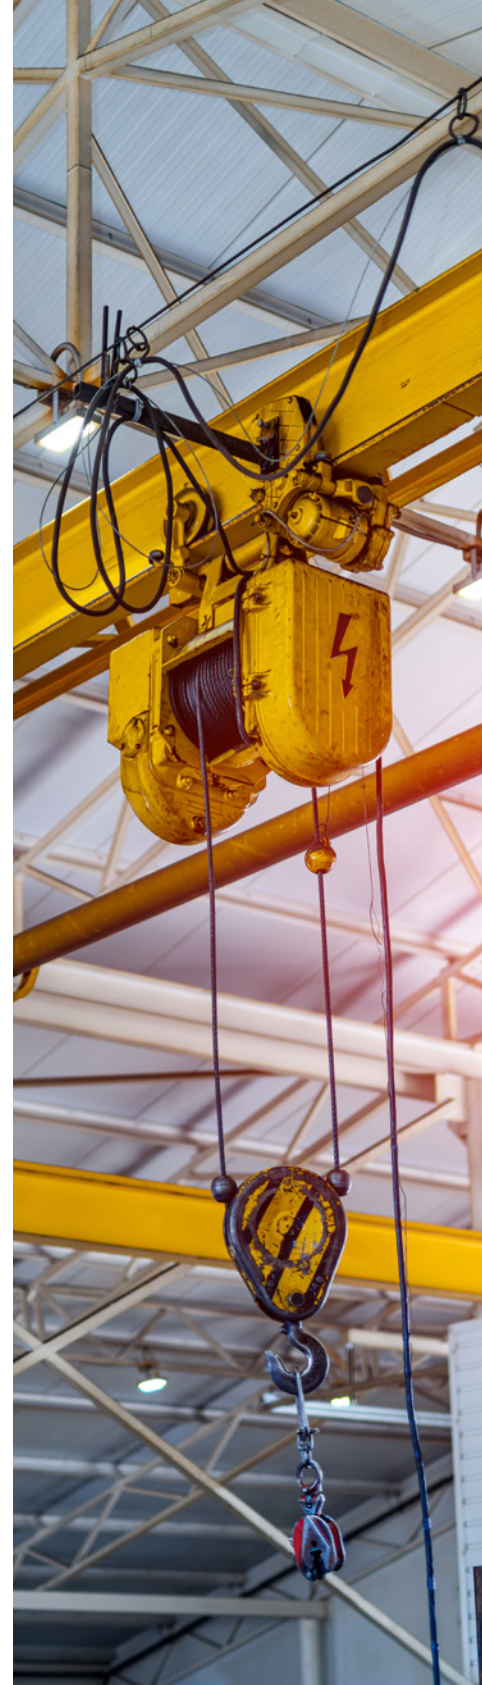

Established with the aim of meeting the growing demand for high-quality lifting equipment, machinery spares, field services, and maintenance and repairs, Trifecta Lifting has positioned itself as an up and coming leader in the industry.

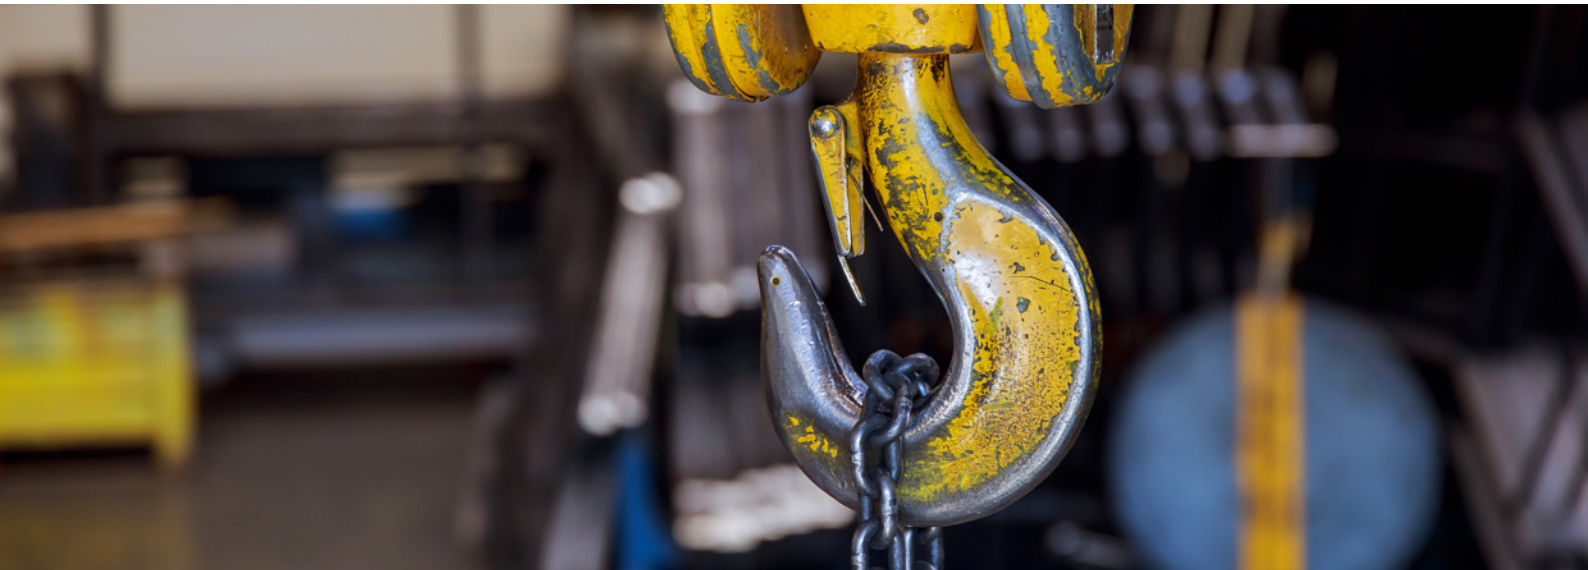

LIFTING EQUIPMENT

Trifecta Lifting offers a wide range of lifting equipment designed to meet the needs of various industries. Our products include but are not limited to, cranes, hoists, slings, shackles, and lifting attachments, all sourced from reputable manufacturers to ensure reliability and safety.

LIFTING MACHINERY SPARES

We understand the importance of keeping equipment in optimal condition. That's why we provide a comprehensive selection of lifting machinery spares, including components and parts for various types of lifting machinery. Our goal is to ensure minimal downtime for our clients by providing quick access to the parts they need.

FIELD SERVICES

Trifecta Lifting's field services are designed to provide on-site support for clients requiring assistance with their lifting equipment. Our skilled and experienced technicians are equipped to handle installation, maintenance, and repairs, ensuring that our clients' lifting equipment operates efficiently and safely.

MAINTENANCE AND REPAIRS

Regular maintenance is crucial for the longevity and safe operation of lifting equipment. Trifecta Lifting offers tailored maintenance plans to suit the specific needs of each client, helping to ensure that their lifting equipment remains in optimal working condition. Additionally, our team is equipped to handle repairs and overhauls, providing cost-effective solutions to extend the lifespan of equipment.

Overall, Trifecta Lifting is committed to delivering high-quality products and services, backed by a team of experts dedicated to ensuring the safety and efficiency of our clients' lifting operations. With a focus on reliability, safety, and customer satisfaction, we aim to be the preferred partner for all lifting equipment needs.
